

**PROFESSIONAL SUMMARY**

Innovative professional artist with over sixteen years of experience. I have worked in a variety of disciplines within the graphic art industry producing dynamic visuals for the military and commercially. Including 3D modeling, 3D/2D and flash animation, company branding and web design. I am motivated to work on all projects collaboratively with the design team from concept through to final production.

Management Comments: Extremely thorough and proactive, takes the initiative to volunteer help when needed, often seeks out additional responsibilities beyond normal scope of job, displays creative and original thinking beyond the expectations of his position, very resourceful when faced with unexpected challenges, quickly resolves problems in their earliest stages, learns and applies new skills quickly, strong dedication and commitment to excellence, usually produces more work than expected and often ahead of schedule, overall positive team player.
